After passing the examination, Joe co-founded SRG – Tacloban, the fore-runner of Max Rev One. When he’s not reviewing finances and overseeing the day-to-day operations of Max Rev One, Joe pursues his lifelong dream of becoming a lawyer at the Don Vicente Orestes Romualdez Educational Foundation (DVOREF), where he takes up Law.

**Christine Almedilla-Pablico**  
Review Specialist and Head of Accounting

Tin is a Nursing graduate of the Remedios Trinidad Romualdez Medical Foundation. After graduating in April 2007, another good fortune came her way: she passed the Nurse Licensure Examination in June of the same year. Tin worked at the Divine Word Hospital in Tacloban City for a while, but she later found a different calling after friends and family gently pushed her to leave her comfort zone. The calling turned out to be joining Max Rev One as a review specialist. Her most important guidepost in life is the saying, “With God, everything is possible.”

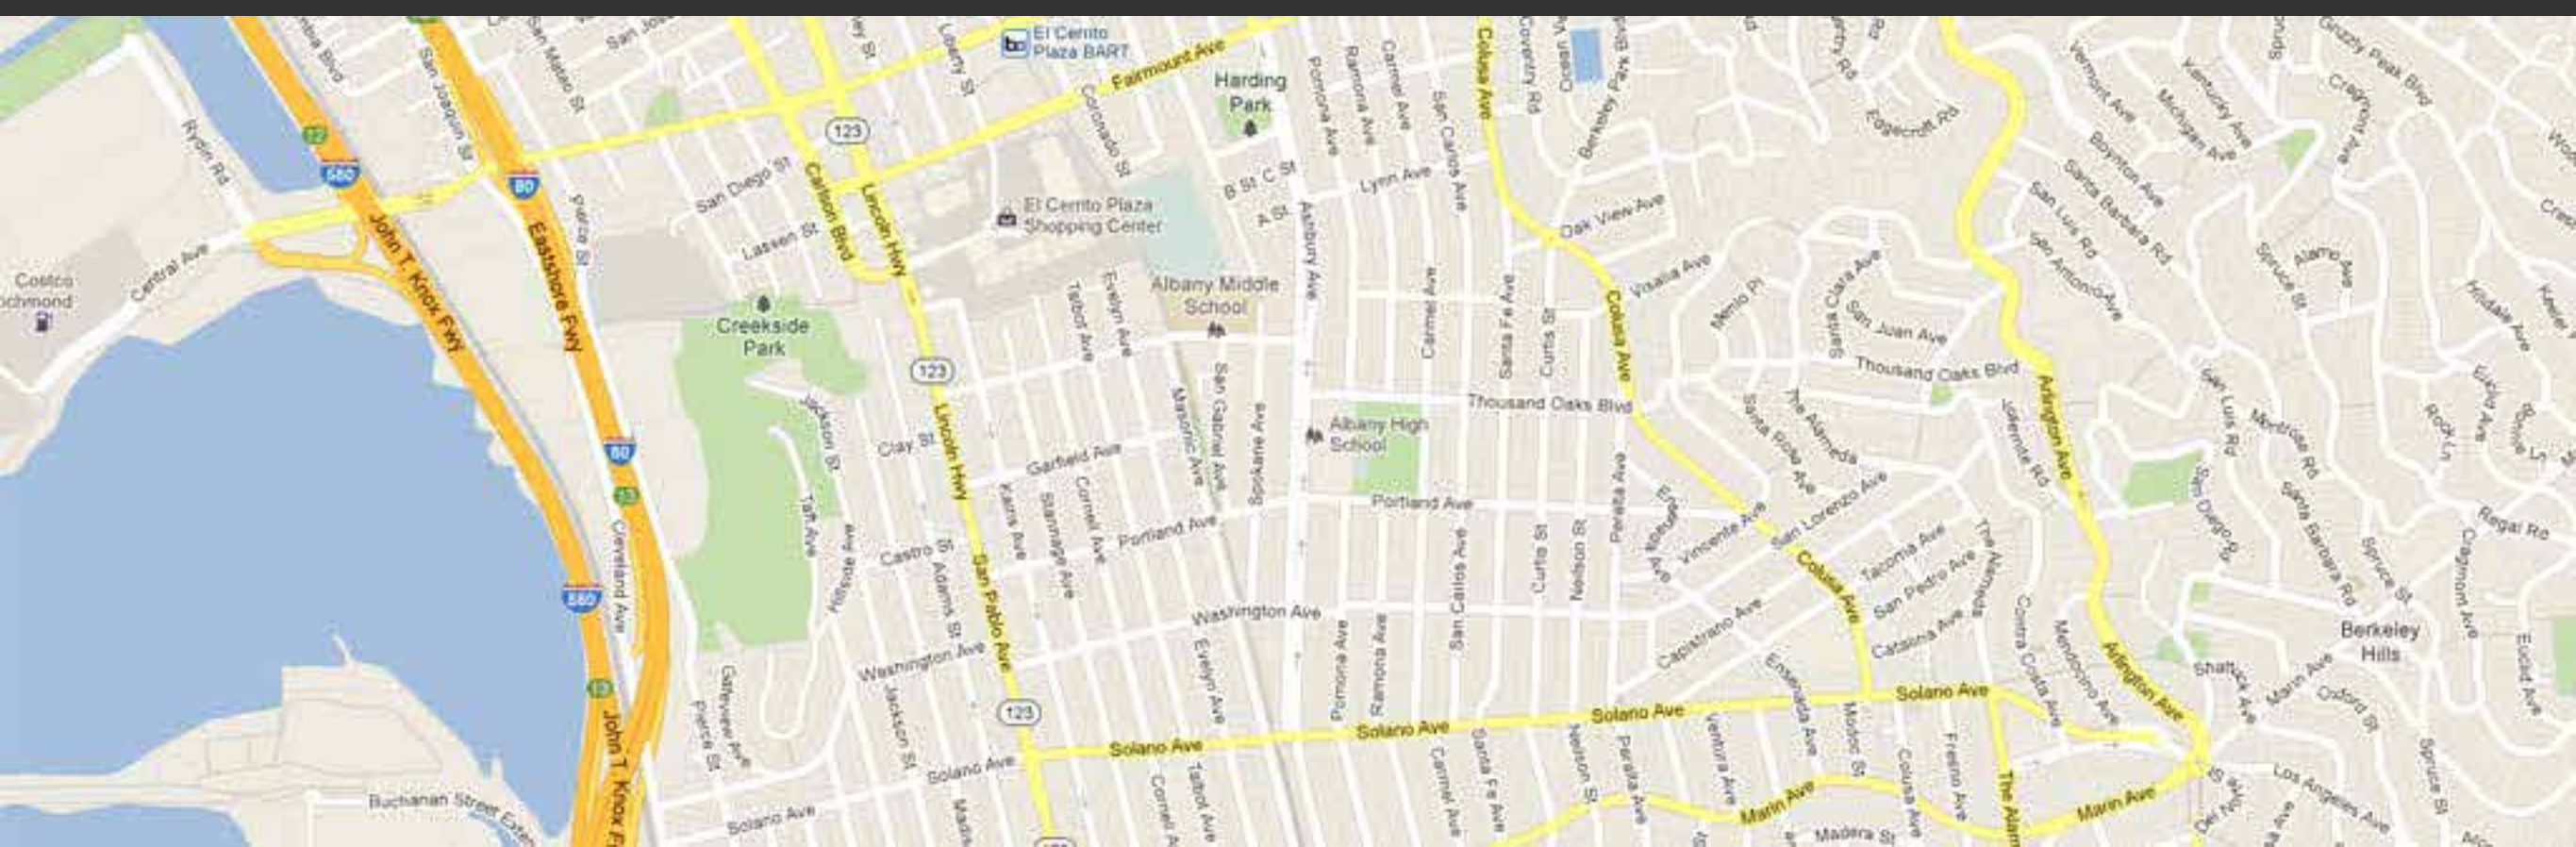

**Menardo Lim**  
Review Specialist and Head of Program and Planning

Like his colleagues at Max Rev One, Menard is an achiever, and this can be gleaned from his academic life. Menard graduated with a degree of Bachelor of Science in Biology from St. Scholastica’s College Tacloban in 2004. Not content with his initial degree, he pursued Nursing at the Our Lady of Mary College, where he graduated in 2011. After passing the rigorous Nurse Licensure Examination in July 2012, he was hired by SRG – Tacloban and later absorbed by Max Rev One. Menard describes himself as simple, unpredictable, and open-minded. His ultimate goal is to become the best in everything that he does.

**Cesar Czarbo P. Trani**  
Review Specialist and Head of Marketing

Czarbo is a graduate of St. Scholastica’s College Tacloban, where he received his Bachelor of Science in Nursing degree. Prior to taking the Nurse Licensure Examination, Cesar worked part-time as a nurse researcher for Vantage Medical Review. His hard work soon paid off when he placed 12th in the July 2010 licensure examination with a general rating of 83.6 percent. In October 2010, he was hired as a staff of SRG – Tacloban, where he met his colleagues with whom he formed Max Rev One. When not thinking up bizarre marketing strategies for Max Rev One, Bo enjoys hanging out with friends and simply enjoying life.
