

About Us

We are the review center for students who settle for nothing less but the best.

Mission

WE are the foremost review center and personal development management and service provider for all individuals

WE are the leading institution of better change that promotes and enhances success in people through education, motivation, and dedicated service

WE are a group of excellent people, with great faith in God, that maintains superior ethical standards, acute sense of responsibility, unwavering passion, lofty commitment, and highest dedication to service for our students-customers, clients, stakeholders, and the community.

Vision

Drawing strength and with deep faith and trust in the Almighty - we are the best, the most admired, highly efficient, passionate, dependable, and reliable review center and personal development management and service institution where credible partnerships with the students-reviewees, the graduates, the reviewers, and the staff, in success creation is forged and fortified.

Our core values

God Centered
Service
Passion

Dedication
Excellence and High Performance
Standards

Concern for People
Integrity
Initiative and Resourcefulness

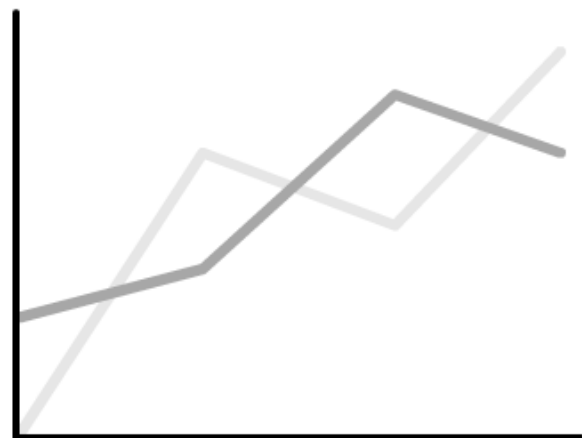

Determination
Efficiency

How we came into being and what we have achieved

MaxRevOne Corporation was conceptualized by the people who managed and owned the Sultan Review Group or SRG Tacloban in its inception in 2010 until its down in December 2012 in Tacloban City.

As former SRG Tacloban, MaxRevOne was awarded as best managed branch of SRG in the Visayas and assigned as main base of SRG in the entire Visayas Region.

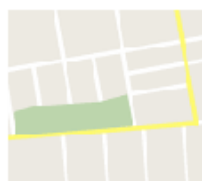

Among the 26 branches nationwide, the Tacloban SRG always belong in the Top 3 Performing Branches w/ the Highest passing rate starting at 94%.

- 2010** The people behind MaxRevOne Corporation started in Tacloban with Review for Nursing as SRG Tacloban owners and staff. Since then, the people behind has in part produced number of passers. On December 10, 2010, their first batch of examinees got 94.8% passing percentage. And for the succeeding board exams the results were overwhelming.
- 2011** For the July 2011, they got 94.4% passing rate, and on December 2011 it reached to 95.42%.
- 2012** The July 2012 result soared high to 96.45% passing rate. The people behind the company is proud to say that many passers and a topnotcher has in a way been served and guided by the people of the company – MaxRevOne Corporation.
- 2013** And on January 2013, the people behind SRG Tacloban decided to make their own review center in the name of MaxRevOne Corporation (Maximum Review One Corporation) - a review management and service institution that offers a maximum grade review and training programs of the profession of choice.
